Firefighters Local 311 Pipes & Drums

Firefighters Local 311 Pipes & Drums was formed by members of the City of Madison Fire Department in 2008. With the support of IAFF Local 311, we strive to honor our members (and Firefighter's across our state and country) by performing at funerals, graduations, promotions, fund raisers and any other MFD or Union sponsored event.

We have performed at several funerals for retirees from locals across Wisconsin as well as other local's recruit graduations, commemoration ceremonies, annually at the PFFW Convention Opening Ceremonies, and the IAFF Fallen Fire Fighter Memorial in 2012.

If your local would like information on scheduling our band for a funeral, special event, or taking bagpipe and/or drumming lessons, please call Ted Higgins (Pipe Major, L-311) at 608-658-6520.
